

HELP OPEN NEW SITE LOCATIONS

We appreciate your interest in working with the YNVA to help open a new Site Location near you.

By opening New Sites, the YNVA is able to continue to reach more kids and carry out its objective: “To build positive character, and enrich the lives and health of youth through the promotion of Youth Volleyball.”

Opening a New Site is a team effort. You will work with the YNVA to help research demographics and find a qualified playing field for the new location, and market its program to the community. The YNVA will work hand-in-hand with you and will be responsible for selecting the Coaches and Lead Site Director.

Please call our toll free number 877 333-YNVA (9682) and leave your name and telephone number with our receptionist. One of our staff will call you right back. You may also contact us by email: contact@theynva.org

Thank you for helping us! Through our combined efforts, we are able to offer more children a fun opportunity to understand important life values while learning the game of volleyball. Our Mission is: “To put into practice the core values of integrity, team work, respect, caring, discipline, accountability and fair play.”
