

YNVA STORE

Beginning in 2010, you will have an opportunity to purchase YNVA clothing, volleyballs, nets, photos of your child and other miscellaneous items on our website. Simply use a credit card or check to pay for your purchases.

The best news is that the YNVA will be offering a discount on all YNVA online store sales for those who purchase an Annual YNVA Membership for \$25.00. The membership will also give members a 10% discount on participation fees.

Ten dollars of each \$25.00 Annual Membership fee will go toward our Scholarship Program. The YNVA believes that all children should have the opportunity to play regardless of their ability to pay. Scholarships for youth are available through our Scholarship Application Process.
